Market News

NEW YORK, May 18.—Business on the stock exchange today dwindled to about 25,000 shares, the smallest total since Feb. 1919, and far less than the average week end two-hour session of recent months.

Movements of stocks were in keeping with this insignificant total. A number of the standard railroad and industrial issues were only occasionally dealt in and some remained unquoted throughout the day.

In point of fact, the stock market was most often subordinated to trading in bonds. Further very extensive liquidation of Liberty bonds and Victory notes forced most of these premier issues to record low levels.

Bankers were almost unanimous in ascribing the additional depreciation of these securities to the enforced needs of individuals and corporations, who found themselves unable or unwilling to borrow money at the prevailing high rates and scarcity of funds.

The only stocks to manifest more than the slight degree of activity and strength were those comprising the sugar and food groups with intermittent firmness in leathers, tobacco and chemicals. Other groups were weak.

The market was variously lower and changes in steel, equipments and motors denoted little more than the mixed views of the professional operators. No attention was paid to the money market, although call loans eased from seven to six per cent and a few time loans for short dates were reported at 8 per cent.

Not more than the usual amount of business in foreign exchange, where nominal changes were the rule.

Extreme declines in Liberty bonds ranged from one-tenth to half per cent. The 3½s alone holding steady. Foreign bonds also reacted but in the general domestic list St. Louis and San Francisco railway incomes were conspicuous.

At 1:45, the market was steady, aggregated \$30,275,000. Old U. S. bonds were unchanged on call.

LIBERTY BONDS

NEW YORK, May 18.—Liberty bonds today were weak, closing at: 3½s, \$94.90; first 4½s, \$94.20; second 4½s, \$94.20; first 4½s, \$94.50; second 4½s, \$94.50; Victory, 3½s, \$94.92; Victory 3½s, \$95.20.

FINANCIAL REVIEW

NEW YORK, May 18.—The pinch of hard times for the small investor was clearly visible in today's heavy stock exchange transactions in liberty bonds and victory notes, which were sold with one exception, sold at new low records.

Of the day's total transactions in bonds, amounting to almost \$31,000,000, Liberty bonds constituted an overwhelming proportion.

The great decline in the selling prices, which amounted to from 56 to 150 points below yesterday's closing figures, was attributed by brokers to the fear of holders of new tax legislation, a disposition by corporations and wealthy individuals to sell in big blocks, and difficulty experienced by the individual in need of ready cash in obtaining loans from the banks.

All the liberty bonds except the 3½s, which tax exempt, and the 4½s, which tax duplicated their recent minimum, suffered falls in price ranging from one-tenth to one and one-half per cent, with feeble rallies at the close of the session.

Today's losses represent the culmination of a progressive decline extended over the period since Jan. 1, during which the value of the government securities had decreased in amounts ranging from 35 to 137 on each \$100.

This proved to be a burden to the small merchant and complaint was made, with the result that the matter was suspended.

BLUE POINT TO BE SCENE OF FATHERS AND SONS OUTING

MESA, May 19.—With the selection of an encampment field at Blue Point, on the Salt River some 15 miles north-east of Mesa, plans for the Fathers and Sons outing of the Latter Day Saints church, to be held the last three days of this month, are gradually being completed.

Committees have visited both Mormon Flats, first considered for the encampment, and Blue Point and following their visit to the latter place on Sunday for details on the choice of it as the scene for the outing. Camp is to be established it is planned, along the river edge at the point and a field for drills, baseball and other athletic events that will be included on the sports program, will be laid out on the mesa above.

Boy scout troops from all the wards of the L. D. S. church in the state will take in the encampment and fathers of each of the boys are being invited to join with them in the outing. An appropriate program is
